

Shih Tzu Rescue

shihtzurescue.org

Dedicated to rescuing and finding quality lifetime homes for Shih Tzus and other small, medium and large companion animals in South Florida.

Dear Shih Tzu Lovers:

We are sending this letter out as a desperate plea for help to continue our mission that has been imperiled by the COVID-19 virus.

In our 25 years of rescuing and adopting over 4,000 dogs to wonderful loving forever homes, we have never experienced such a frightening and potentially devastating situation.

Having over 100 dogs in our care at any given time is a challenge at best, but this unprecedented pandemic has abruptly terminated our ability to support ourselves through boarding and adoption fees, which represent a substantial part of our income, stretching our resources to the limit. Without your help we are facing a dismally uncertain future.

While our 3 acre shelter and sanctuary is secure and the dogs in our care are safe for now, our biggest challenge is securing the funds needed to pay for our employees, utilities, and the exorbitant never ending veterinarian bills without exhausting our limited funds. As a NO-KILL shelter and sanctuary, almost 1/3 of the dogs in our care are not adoptable due to health, age or social issues.

We are therefore asking you to open your hearts and help us to continue to help these wonderful innocent dogs who are so needy, and who when given the chance, will add joy to the hearts of those that will make them a part of their family.

Donations can be made through PayPal from our website at: www.shihtzurescue.org or by sending a check to:

*Shih Tzu Rescue, Inc
4474 Weston Road #175
Davie, Florida 33331*

We- and the dogs at Shih Tzu Rescue- are forever indebted to you for your generosity during this trying time. Thank you for helping to save our shelter.
